**EXPLORE THE AREA MARKED ON THE MAP TO FIND THE ANSWER TO EACH QUESTION. THEN USE YOUR ANSWERS TO SOLVE THE MYSTERY PHRASE.**

**1** Visit the figure in front of the Visitor Information Centre. This was Australia's first female mayor and the first leader to raise the Aboriginal flag on a public building. What was her name? \_\_\_\_\_

**2** Find the large mural of a woman that covers an entire building. This dream wall was created during the Big Picture Fest in 2020. What is the name of the artist who created this mural? \_\_\_\_\_

**3** Approach the Visitor Information Centre and read the acknowledgment to the traditional owners created by Jasmine Craciun. In this mural, there are two phrases, "Tanan Ngaligu" and "Korkuee Irrgu". These are Awabakal and Worimi words for a greeting. Hint: the word is above these phrases. \_\_\_\_\_

**4** Look at the blue seats that are around Museum Park. These are the original seats from the former rail station. The white letters spell out the name of the station. What is it? \_\_\_\_\_

**5** If you look carefully, you can see where the original rail platform used to be. Stencilled in the concrete is a warning. What do you need to beware of when boarding? \_\_\_\_\_

**6** In the flower garden, look carefully within the garden beds. What can you see that remains from the former train station? Hint: trains run on them. \_\_\_\_\_

**7** Find the tile mural on the brick wall. It was made of 99 individual tiles and aimed to raise community awareness and acceptance of people with a disability. What is the name of this mural? \_\_\_\_\_

**8** Look for the long metal and timber seating platform in Museum Park. This was repurposed from the former rail station. What was the platform previously used as? It's the title on the sign. \_\_\_\_\_

**9** Head to the side of Newcastle Museum and you'll see new murals. Find the Mitch Revs mural and look up. You'll spot a saying "Smooth Seas Never Made a..." What are the last two words? \_\_\_\_\_
