**Works notification:
Temporary landscaping between The Station and Market Street Lawn**

Dear Residents and Businesses Operators,

The Hunter and Central Coast Development Corporation (HCCDC) will commence works to temporarily landscape the area of underutilised land between The Station and Market Street Lawn from Monday 8 April 2019. We expect the works to take up to one month.

Temporarily grassing this area will connect the two spaces and allow the community to enjoy a larger green space ahead of final landscaping works being constructed in 2020.

Map: Proposed work zone

What to expect

Trucks will deliver 2000 tonnes of clean soil onsite to raise the level and prepare for turfing. Water tankers will be used to mitigate dust during soil transportation and compaction.

All works will be conducted during standard construction hours from 7.00am to 6.00pm Monday to Friday and 8.00am to 1.00pm Saturday.

Traffic control will be in place to assist truck movements onto and off the site.

Noise

It is anticipated that the works will create minimal noise only from machinery used to place and compact soil.

More information

For any further enquiries, please contact HCCDC on info@hccdc.nsw.gov.au or call 4904 2750.

Regards,

Richard Minter
Project Manager
