

Notification of works in your area

Landscape Solutions Australia is working on behalf of Hunter and Central Coast Development Corporation on the transformation of Leagues Club Field into a world-class regional playground and recreational space.

This project aims to attract people into the Gosford CBD, create new recreation opportunities and provide jobs to local workers.

How will this affect you?

Site fencing will be installed on 2 December 2019. Over the subsequent 12 months you will notice construction vehicles and machinery on site and may experience minor increases in traffic and construction noise. We aim to minimise any inconvenience to you, and we thank you for your patience during this work.

The small car park adjacent to the Australian Tax Office building will be closed during works. These works are programmed to commence mid 2020

Work hours

Activity will be predominantly carried out from 7am until 6pm Monday to Friday and some Saturday's from 8am to 4pm if required. If we need to work outside of these times, we will let you know.

Question or Comments

If you would like to know more about the project or have any comments, please contact our community liaison Milica Nestorovic on 1300 653 013 or email Milica.Nestorovic@landscapesolutions.com.au

We look forward to working with the Central Coast community and the successful delivery of your new recreational playground.
