

14th April 2020

To whom it may concern,

Works notification: Changes to road access

Landscape Solutions Australia is working on behalf of Hunter and Central Coast Development Corporation on the transformation of Leagues Club Field into a world-class regional playground and recreational space.

As advised in our previous Notification of Works, we wish to acquire a section of Baker Street (south of Georgiana Terrace) on the 21st April 2020 as per the attached staging plan.

Site fencing will be installed on Baker Street and Georgiana Terrace from the 21st April 2020 with a forecast completion date of 31st May 2020 subject to favourable weather.

How will this affect you?

Access will be limited via Georgiana Terrace and Baker Street. This will be controlled by a two-stage construction phase along with onsite traffic control for easy guidance.

Work Hours

Activity will be predominantly carried out from 7am until 6pm Monday to Friday and some Saturday's from 8am to 4pm if required. If we need to work outside of these times, we will let you know 48hr in advance.

Questions or comments

If you would like to know more about the project or have any comments, please contact our community liaison Milica Nestorovic on 1300 653 013 or email Milica.Nestorovic@landscapesolutions.com.au

We aim to minimise any inconvenience to you, and we thank you for your patience during this work.
