SEWER WORKS ON HONEYSUCKLE DRIVE – 18 TO 26 MAY 2020

11 May 2020

The urban renewal of Honeysuckle is a signature project for Hunter and Central Coast Development Corporation (HCCDC). Honeysuckle is changing and with new open space areas alongside residential, commercial and entertainment precincts, it is essential there is easy access for cars, bikes and pedestrians along the length of Honeysuckle Drive.

Robson Civil Projects is working on behalf of HCCDC to realign Honeysuckle Drive between Hannell Street and Steel Street to improve traffic flow through the area. Trenching work is required in order to upgrade sewer lines along Honeysuckle Drive and Hannell Street.

When will work take place?

Between Monday 18 and Friday 23 May, trenching will occur on the southern side of Honeysuckle Drive and in the left-hand turn lane from Honeysuckle Drive onto Hannell Street. Traffic will be maintained during this work.

On Saturday 23 and Sunday 24 May between 7am to 6pm, trenching work will require partial closure of the Westbound lanes on Honeysuckle Drive. A traffic diversion will be in place via Steel Street.

Night work will occur on Monday 25 and Tuesday 26 May between 8pm and 5am. During night work, the intersection of Hannell Street and Honeysuckle Drive will be under traffic control.

Traffic and Pedestrian Changes

For urgent enquiries or complaints about construction activities, call our 24-hour construction response line on 0401 096 484 or email honeysuckle@robsoncivil.com.au
What equipment will be used?

Equipment will include, but is not limited to, trucks, forklifts, excavators, temporary light towers, light vehicles, power tools and hand tools.

What to expect during construction

There may be some noise associated with this work. We apologise for the inconvenience and will aim to minimise the impact of our work by:

> Turning off equipment when not in use
> Positioning noisy equipment as far away as possible from residents and businesses.

Thank you for your patience during this important work.
