Dear Resident/Business Owner,

RE: MT PENANG GARDENS WATER SUPPLY OUTAGE

Bolte Civil is currently completing water service augmentation and associated works in Mt Penang, Kariang on behalf of Hunter and Central Coast Development Corporation.

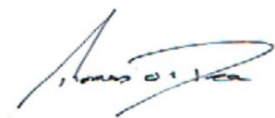

In preparation for final completion of the works, a short duration water outage is required to commission the newly installed service and decommission the redundant line.

The proposed water outage is scheduled for Monday 19th of October at 3:30pm.

The duration of the outage will be approximately two hours. Residents whose water supply comes from the northern end of the Gardens will be affected.

We appreciate your co-operation during this time. If you have any queries or feedback about the construction works, please direct your enquiries to our office by phone on 4351 1512 or email to info@boltecivil.com.au. Emergency contact details will be provided on information signage located at the site office.

Yours faithfully,

Thomas O'Dea
Project Manager
Bolte Civil Pty. Ltd.
