

THE STATION LANDSCAPING PROJECT

NIGHT WORK NOTIFICATION - 13 October 2020

Project overview

Daracon, on behalf of Hunter and Central Coast Development Corporation (HCCDC) is undertaking landscaping works at The Station, in Newcastle's east end. The works extend the completed Market Street Lawn through to the former bus depot at Watt Street, creating a Station Plaza and a vibrant new public space.

Upcoming night work

During October, essential work to resurface the road at Watt Street, Newcastle East will take place. This is to minimise impacts on buses and other road users during the day.

The lanes closest to The Station (north bound) through to Wharf Road will be closed, with traffic control in place while the work is completed. Detours will be in place for all vehicles, pedestrians and cyclists.

The bus stop alongside the Station will be temporarily closed during this work. For more information about alternate bus stop locations, please contact Newcastle Transport <https://newcastletransport.info/> or call 131 500.

While Daracon will endeavour to minimise disruption, the work will be noisy at times and we apologise to nearby residents for the inconvenience.

Work hours

Work will take place between **6pm on Tuesday 13 October and 3am 14 October 2020.**

Night work activities

Activities	Equipment to be used
Road works including mill and re-sheet.	Road profiler, asphalt paving machine, smooth drum rollers, trucks for asphalt delivery, heavy vehicles, light vehicles, excavators and handheld tools.
