RE: COTTAGE CREEK AND FORESHORE PROMENADE WORK

Daracon Group is continuing work on the Cottage Creek and Foreshore Promenade project on behalf of Hunter and Central Coast Development Corporation (HCCDC).

Work commenced in October and is on track for completion in June 2022.

Since establishing our site compound on Honeysuckle Drive, we have progressed works along Cottage Creek and the Foreshore promenade, including commencement of the pedestrian bridge over Cottage Creek.

Upcoming work for the next two months includes:

- Continuing demolition, excavation of material, earthworks and landscaping around Cottage Creek and along the Foreshore promenade
- Promenade bridge construction
- Promenade upgrade and landscaping works from Honeysuckle Park to Throsby Wharf.
