## RE: SERVICE INVESTIGATION WORKS IN WORTH PLACE

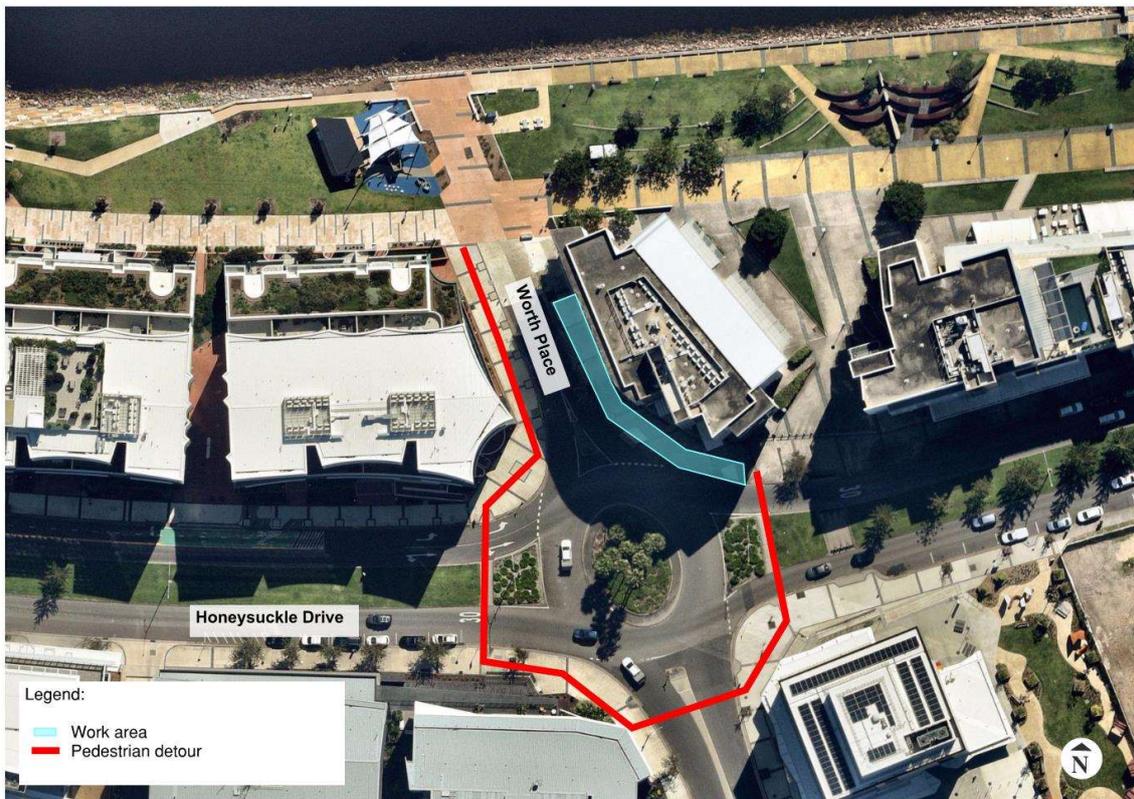

Daracon Group is continuing work on the Cottage Creek and Foreshore Promenade project on behalf of Hunter and Central Coast Development Corporation (HCCDC).

As part of the project, Daracon is carrying out preliminary investigations to confirm the location of services in Worth Place. This work will help inform the design of future services for the proposed permanent toilets on the foreshore.

Our initial investigations works will commence **Thursday 5 May and Friday 6 May 2022** and the work is being completed during normal construction hours.

We will be working within the pedestrian footpath on the eastern side on Worth Place between the Honeysuckle Drive roundabout and the Promenade.

During the work, pedestrians and cyclists will be detoured to the southern side of Worth Place. Access for residents and businesses will be maintained during the work, however they may be some minor delays associated with this work.

*Location of work area*

## How will this affect you?

The investigation work will occur near your property. Traffic movements, car parking, and pedestrian/cyclist access in the area will be maintained during the work.

## Work hours

Work will be carried out from 7am until 6pm Monday to Friday and Saturday from 8am to 1pm, weather permitting. If we need to work outside these times, we will advise you.

## Get in touch

To find out more about the project please contact our community relations manager **Louise Neville** on our 24-hour enquiry line **0407 907755** or email [cottagecreek@daracon.com.au](mailto:cottagecreek@daracon.com.au).

## RE: SERVICE INVESTIGATION WORKS IN WORTH PLACE

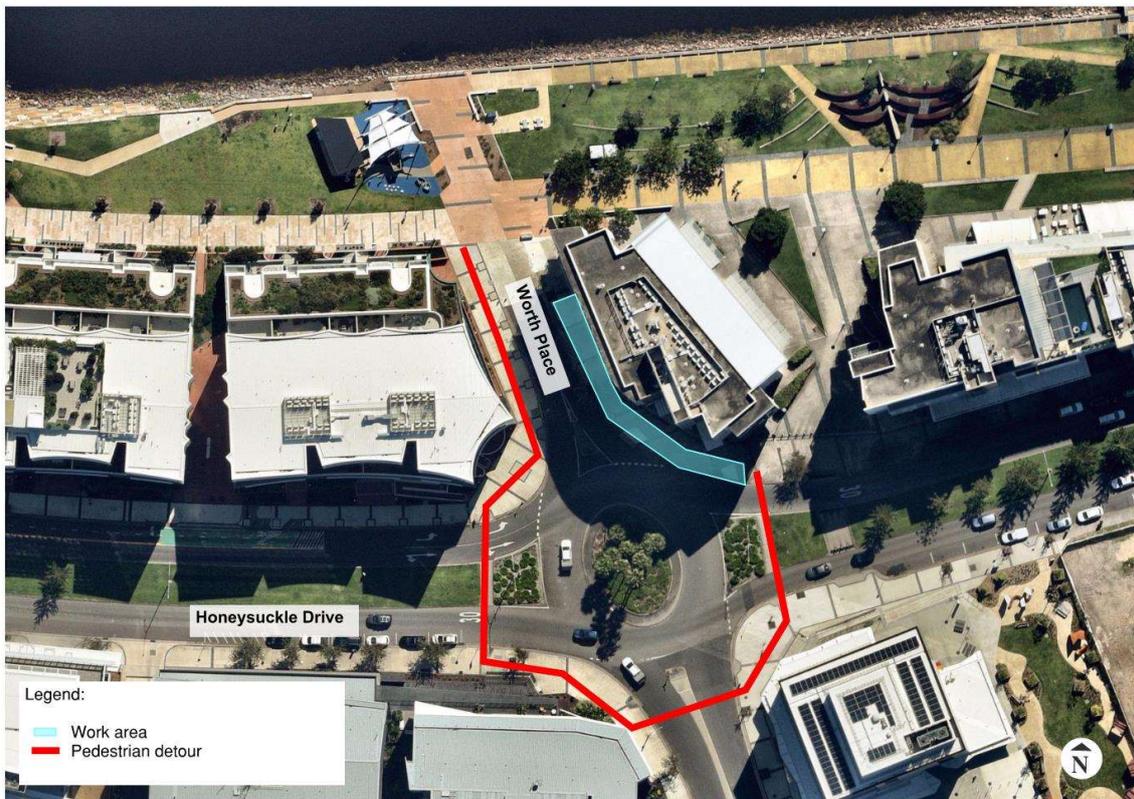

Daracon Group is continuing work on the Cottage Creek and Foreshore Promenade project on behalf of Hunter and Central Coast Development Corporation (HCCDC).

As part of the project, Daracon is carrying out preliminary investigations to confirm the location of services in Worth Place. This work will help inform the design of future services for the proposed permanent toilets on the foreshore.

Our initial investigations works will commence **Thursday 5 May and Friday 6 May 2022** and the work is being completed during normal construction hours.

We will be working within the pedestrian footpath on the eastern side on Worth Place between the Honeysuckle Drive roundabout and the Promenade.

During the work, pedestrians and cyclists will be detoured to the southern side of Worth Place. Access for residents and businesses will be maintained during the work, however they may be some minor delays associated with this work.

Location of work area

## How will this affect you?

The investigation work will occur near your property. Traffic movements, car parking, and pedestrian/cyclist access in the area will be maintained during the work.

## Work hours

Work will be carried out from 7am until 6pm Monday to Friday and Saturday from 8am to 1pm, weather permitting. If we need to work outside these times, we will advise you.

## Get in touch

To find out more about the project please contact our community relations manager **Louise Neville** on our 24-hour enquiry line **0407 907755** or email [cottagecreek@daracon.com.au](mailto:cottagecreek@daracon.com.au).

Daracon Group is continuing work on the Cottage Creek and Foreshore Promenade project on behalf of Hunter and Central Coast Development Corporation (HCCDC).

As part of the project, Daracon is carrying out preliminary investigations to confirm the location of services in Worth Place. This work will help inform the design of future services for the proposed permanent toilets on the foreshore.

Our initial investigations works will commence **Thursday 5 May and Friday 6 May 2022** and the work is being completed during normal construction hours.

We will be working within the pedestrian footpath on the eastern side on Worth Place between the Honeysuckle Drive roundabout and the Promenade.

During the work, pedestrians and cyclists will be detoured to the southern side of Worth Place. Access for residents and businesses will be maintained during the work, however they may be some minor delays associated with this work.

*Location of work area*

## How will this affect you?

The investigation work will occur near your property. Traffic movements, car parking, and pedestrian/cyclist access in the area will be maintained during the work.

## Work hours

Work will be carried out from 7am until 6pm Monday to Friday and Saturday from 8am to 1pm, weather permitting. If we need to work outside these times, we will advise you.
