

Important infrastructure upgrades are underway in Mount Penang

We are investing in Mount Penang to create a better place for recreation, education and work.

Temporary traffic routes will be in place from 26 September. Pedestrians can still walk alongside the closed road.

SCAN FOR DETAILS

Phase 1 - Parklands Road South

Updated information will be provided before each phase.

Works are being undertaken by Bolte Civil and will take place in a phased approach.

Once works are complete, Mount Penang visitors can enjoy:

- a resurfaced and beautified Parklands Road with new native trees and roadside gardens
- a second vehicle access point and improved traffic flow, as well as additional parking spaces
- a new shared pedestrian and cyclist path along Parklands Road and Baxter Track and new pedestrian crossings.
