CONSTRUCTION WORK NEAR YOU NEW PUBLIC AMENITIES FOR HONEYSUCKLE – WORKS UPDATE

Hunter and Central Coast Development Corporation (HCCDC) has engaged Daracon Group to construct the new amenities and associated services at Worth Place.

The service installation works at Worth Place commenced in August 2022, and are now nearing completion. Works will start on the new permanent amenities block at Honeysuckle Park from Tuesday 20 September and be completed by January 2023.

Location of work area

14 September 2022

How will this affect you?

Construction for the project will occur near your property and you may notice some construction noise during this time. Access for residents, businesses and carpark users will be maintained, however there may be some minor delays due to works.

Pedestrian and cyclist access along the promenade will be maintained.

The existing temporary toilets will remain open during construction, however some short term closures may be required to enable the works. These toilets will be removed once the permanent amenities are open.

Work hours

Work will be carried out during normal construction hours from 7am until 6pm Monday to Friday and Saturday from 8am to 1pm, weather permitting. We will let you know if we need to work outside these times.

Get in touch

To find out more about the project please contact our community relations manager **Louise Neville** on our enquiry line **0407 907755** or email cottagecreek@daracon.com.au.

Thank you.
