1. Policy statement

1.1 Introduction

Hunter and Central Coast Development Corporation (**HCCDC**)'s operations extend to the Central Coast Local Government Area (LGA), and the Hunter region's ten LGA's including Cessnock, Dungog, Lake Macquarie, Maitland, Mid-Coast, Muswellbrook, Newcastle, Port Stephens, Singleton and the Upper Hunter.

We support social and community initiatives through this sponsorship policy, with a priority focus on the following key HCCDC project precincts:

- Newcastle city centre: The Station, Honeysuckle and Museum Park
- Central Coast: Mount Penang and Leagues Club Park Gosford
- Lake Macquarie: Cockle Creek precinct

HCCDC actively grants sponsorships through a commercial arrangement where HCCDC provides a contribution in money and/or value-in-kind to support a diverse range of activities, events, programs, research or thought leadership initiatives that:

- contribute to the delivery of HCCDC's strategic objectives (see clause 3)
- provide lasting benefits to HCCDC and the community
- meet eligibility criteria
- are deemed to be an appropriate use of HCCDC sponsorship fund allocation.

1.2 Sponsorship

Sponsorship is a commercial arrangement in which a sponsor provides a contribution in money or in-kind to support an activity in return for certain specified benefits. Sponsorship can be provided:

- by the corporate sector or private individuals, in support of a public sector activity; or
- by the public sector in support of related and worthwhile private or public sector activities.

Sponsorship **does** not include:

- the selling of advertising space
- joint ventures
- consultancies
- grants (in regard to received sponsorship)
- unconditional gifts, donations, bequests or endowments.

Sponsorship is **not** philanthropic. A sponsor expects to receive a reciprocal benefit beyond a modest acknowledgement. HCCDC does **not** engage in sponsorship for purely charitable or philanthropic purposes.

This Policy will be published on the HCCDC website (<https://www.hccdc.nsw.gov.au/sponsorship>) to provide guidance to those considering approaching HCCDC for sponsorship. A summary of HCCDC sponsorships is recorded in the HCCDC Annual Report.

1.3 Objectives

This policy sets a framework for HCCDC to grant, manage and review sponsorships to external organisations for its place activation, programs and events. It aims to ensure that sponsorships are delivered in accordance with the terms of Government sector-wide guidelines as outlined in the Independent Commission Against Corruption's (ICAC) Sponsorship in the Public Sector publication (<https://www.icac.nsw.gov.au/ArticleDocuments/232/Sponsorship%20in%20the%20public%20sector.pdf.aspx>), as well as complying with the NSW Department of Planning and Environment's (DPE) Code of Ethics and Conduct (https://www.dpie.nsw.gov.au/data/assets/pdf_file/0008/348992/Code-of-Ethics-and-Conduct.pdf) and relevant departmental policies and procedures.

1.4 Scope

This policy has been developed to ensure alignment with DPE objectives (<https://www.dpie.nsw.gov.au/about-us/our-outcomes>) and policies which are fundamental in delivering the NSW Premier's Priorities (<https://www.dpie.nsw.gov.au/premiers-priorities>).

All sponsorship agreements are to be in writing, outlining all the rights and responsibilities of both parties, clear objectives of the partnership, benefits, terms and conditions of the sponsorship including acquittal and reporting requirements.

Agreements for sponsorships:

- should not impose or imply conditions that would limit, or appear to limit, a public sector agency's ability to carry out its functions fully and impartially

HCCDC will provide information to sponsorship recipients about HCCDC's expectations, objectives, ethical requirements, benefits, sponsorship guidelines and the criteria against which a proposal will be assessed.

All HCCDC staffs and the applicant must disclose any actual or potential conflicts of interest posed by the potential sponsorship arrangement. This may include but not be limited to personal relationships or financial arrangements of staff involved in sponsorship assessment, approval or administration.

If HCCDC decides to accept and manage an existing conflict of interest, HCCDC will record the decision-making process and the management strategies for managing the conflict.
